Connecting You With Your Passion™

STAINLESS DESTROYER WHEEL

The classic Edson Destroyer® Wheel will add distinction and value to any boat. Available in sizes ranging from 18" (457mm) to 60" (1520mm), they feature an attractive dished shape and tapered hollow spokes. Elegant yet strong, these wheels have a timeless appearance that will look great on any style of sailboat. The "D" shaped rim is comfortable in your hands and the optional Leather Wheel Rim Cover will make those long hours at the helm less tiresome. Edson Destroyer Wheels are available with either a 1" straight hub or a tapered hub, both precision machined to ensure an exact fit to your steering shaft.

Stainless Destroyer Wheels

- Marine Grade Stainless
- Tapered, Hollow spokes for light weight
- Available from 18" (457mm) to 60" (1520mm)
